Pastor Marty Macdonald is the Senior Pastor at The City Church, located in beautiful downtown Batavia, New York. He is not only a pastor, but also a conference speaker and community leader.

Through Pastor Marty's audacious spirit to serve the local church and community, he has empowered a movement to spread the Good News of Jesus Christ through simple acts of kindness and servanthood. He has piloted regional and global programs that focus on building a tangible faith in Christ through experiencing God's promise for their lives.

The City Church reaches countless people every week through street ministry, prison ministry, food, clothing, drug rehabilitation, bus ministry, and much more.

Pastor Marty and The City Church have a vision for the city of Batavia, for Western New York, and for the world to do whatever it takes to reach and teach lost souls that God has a plan and purpose for their lives.

In 2016, Pastor Marty and The City Church expanded to their second location of St. Anthony's Church and Community Center at 114 Liberty Street Batavia, NY. They are excited to be bringing the message of The Gospel to a new neighborhood!
